

## Parsons Green Club - Competition rules.

### Format

The format for each match is **two normal tie-break sets** (the tie-break at 6-6 is *two clear points to 7*).  
At 1 set all a match tie-break *two clear points to 10* should be played to decide a winner.

### Booking

All players are responsible for booking their own matches and allowing sufficient time for the match to be played.

All tournament matches to be played on courts 2-6.

For the purposes of playing tournament matches **only**, you can book two courts consecutively if required. The first court should be booked using Player 1's name. The second court to be booked using player 2's name. **Both courts must have 'tournament' selected as the opponent.**

### Tennis balls

All players are responsible for providing their own match balls.

### Results to be emailed to Nina Amato, Tournament Organiser

**Both players must email the tournament organiser [nina8689@hotmail.co.uk](mailto:nina8689@hotmail.co.uk).**

**with the result** of their match so that scores can be checked and the winner must also put their result on the printed draw sheets to be found in the club house. Anyone losing their 'first match' can enter the consolation draw but must remember to let the tournament organiser know straight after their match.

All matches **must** be played by the date specified on the draw sheet. Any person/pair unable to play within the allotted time will be scratched from the tournament so please leave plenty of time to organise and play your games. There will be no extensions allowed.

Any player failing to turn up for an arranged match will forfeit the game. This must be entered on to the results board as 'walkover' next to the players name who failed to turn up.

Please note, if you are unavailable on Finals Day for any reason, please forfeit your match if you reach the Quarter Finals.

### Summer break

A summer break has been introduced this year to run from July 17<sup>th</sup> to 15<sup>th</sup> August to allow for holidays to be taken. However, we strongly encourage all available players to play their match during the break if they are here, the window to play their match after the break will be short.

### Consolation draw

A reminder that anyone losing their 'first match' will be able to enter a consolation draw but **must inform the tournament organiser via email regarding their interest.**
